

Austin Woman Magazine, Asks Susan Anderson Of The Pet Gal, What To Consider Before Getting A Pet

AUSTIN, Texas - Oct. 2, 2019 - [PRLog](#) -- Susan Anderson, owner of a professional pet sitting and dog walking company, shares her tips for what you need to know before bringing a new pet home in [Austin Woman Magazine's](#) October issue.

"I am delighted Austin Woman Magazine asked me to provide tips to potential pet parents to help them realize what they need to consider before bringing home a new family member," said Susan Anderson, founder, and owner, at The Pet Gal.

"Your lifestyle plays a significant role in determining the most suitable pet for you. For instance, if you have a full-time job, travel a lot, or have a small space, cats are a wonderful option. Most cats are very independent and don't necessarily need to be socialized or need to be around a lot of people. However, if you prefer a dog, it might be worth having a dog walker come so they can get the exercise and socialization they need while you're away."
